

Attend Our Monthly Online Meetings Right From Your Desk!

Training is a must! Regular Relationship Master online meetings will keep you on target and on task. These webinars provide in-depth training and feature role-play segments, real-time Q&A, and panelists who are some of our most successful agents! You'll receive your link to the webinar by email, as well as the conference call numbers for the audio portion.

These webinars are becoming one of our most popular benefits. In a recent survey, 79% said they prefer the online method over live training! Watch your email for invitations to our next sessions. Each month, PropertySource University brings you training on these and other topics:
